

Pipe connector Clamps

4" - 6" Pipe

8"-16" Pipe

16" - 104" Pipe

WA-GZ connectors

Pipe clamp connectors seals have EDPM, NBR or Silicone elastomer seals and stainless steel clamp tighteners.

The outer clamps secures the pipes and the wider inner clamps secure the pipe ends.

The material required for the seal (EPDM, NBR, Silicone).

WA-GZ-DS models connect pipes of different diameters

WA-GZ-MP models connect multi pipes through the same opening
